

After the varied success of last year's Isham Fantasy League, two people have asked me if there is going to be one in 2007. I couldn't disappoint those two people so here it is - **Isham Fantasy Cricket League 2007. Bigger, better and potentially more enjoyable than ever before.**

Rules:

You have a budget of **£600** to spend on you squad of 11 players. Before you all ask how I priced players up, I used last season's scores to base their price. Obviously people who are capable of batting and bowling will have a higher price because they can score points in both disciplines.

Your squad must also be made up of 4x batsmen, 4x bowlers, 2x all rounders and 1x keeper.

All the players have been split into 3 pools of players, you can pick a maximum of 4 players from each pool (eg, 3x 1st XI, 4x 2nd XI, 4x Zingari/Sunday).

Points will be scored for ALL Saturday and Sunday game (including friendlies). Scoring starts 5th May and ends 28th Sep.

Points Scoring:

Batting: +1 for every run scored by your player
 +10 if your player makes a fifty (plus the points they have already made)
 +25 if your player makes a century (plus the points they have already made)
 -10 for a duck / -25 for a golden duck
 -5 if your player is ran out

Bowling: +20 per wicket taken
 +25 for a five wicket haul (on top of the points already accumulated)
 +100 for a hatrick
 +5 for a maiden over
 -5 if 7+ runs are scored from an over

Fielding: +10 for a catch
 -10 for a dropped catch
 +20 per each player involved in a run out (full explication on the website)
